

HOW MANY DAYS

© SOCAN Glenn Zaretski

1. Every day the world's that one step nearer.
No turning back 'cause the oil slick of fear is spreading out.
Do an alamano left and I don't really care
'cause it makes no difference neither here nor there if we doe si doe.

CHORUS: Well turn it to the left and turn it to the right.
Go straight up the centre now hang on tight.
One step forward and two steps back
'til you're up to the wall now pull in the slack.
Let's all dance 'cause it's a polka time.

2. Buy yourself a gun and dig yourself a hole.
Do a two step now. Dried food won't spoil. Ex-change your men.
Keep the radio on and a gassed up truck.
Corners to the centre now pray for luck just like you'd pray for rain.
3. Everyone's laughing at me. Lock him a-way, they say.
It seems I act crazy when I'm really quite sane.
4. Ever take the time to think just what it be like if you had to live a life just like the life that someone else is living in a land where everyone is supposed to be the same?
Budda ba da. Budda ba da. Budda ba da. Budda ba da. Budda ba da. Budda ba da. Nya ah ah ah!
5. Everyone's laughing at me. Lock him a-way, they say.
It seems I act crazy when I'm really quite sane?
Time for ice cream. Daddy! Daddy! Daddy!

CHORUS:

6. HOW MANY DAYS? HOW MANY DAYS? HOW MANY DAYS?
HOW MANY DAYS are left before we, 'fore we, 'fore we, 'fore we,
'fore we, 'fore we, 'fore we, 'fore we.
How many ways? How many ways? How many ways?
How many ways are left before we, 'fore we, 'fore we, 'fore we,
'fore we, 'fore we, 'fore we, 'fore we.
7. I just thank the lord for giving me today.
8. Welcome to our special feature. So glad you could tune in and join us for mellow moods.
9. Every day's a good day when you're alive.
Tulips or pansies? It's insane outside!
HOW MANY DAYS? How many ways?

CHORUS:

We interrupt this . . .
