

## JUST HANGIN'

© SOCAN Glenn Zaretski

- 1) Used to be I'd party on, . . . all night.  
But now this dog has way more bark than bite.  
Had all these plans, I thought I'd keep.  
Now I only dream when I'm asleep.

CHORUS: When did JUST HANGIN' out turn to JUST HANGIN' in? JUST HANGIN' on.

- 2) I pay my bills, 'bout two weeks late.  
The house could use another coat of paint.  
The squeaky hinges, call out for grease.  
But not as loud as all these mouths I feed.

CHORUS: When did JUST HANGIN' out turn to JUST HANGIN' in? JUST HANGIN' on.  
Help me I'm falling!

- 3) I take my kids out to bowl,  
I'm tired of losing on the Nintendo.  
These game boy wizards call me a hack.  
Still playing Tetras on my beat up Mac.

CHORUS: When did JUST HANGIN' out turn to JUST HANGIN' in? JUST HANGIN' on. Ooooh.  
When did JUST HANGIN' out turn to JUST HANGIN' in? JUST HANGIN' on.

- 4) The car payments, are almost done.  
Thank God 'cause I was born to run.  
A little rusty, the motor shakes.  
But we'll be cruisin' once I fix the brakes.

CHORUS: When did JUST HANGIN' out turn to JUST HANGIN' in? JUST HANGIN' on. Ooooh.  
When did JUST HANGIN' out turn to JUST HANGIN' in? JUST HANGIN' on.

- 5) When did JUST HANGIN' out?! (echo)  
When did JUST HANGIN' out?! (echo)  
When did JUST HANGIN' out turn to HANGIN' in?  
A curtain drawn on what might have been?  
When did When did HANGIN' out become JUST HANGIN' on?

HANGIN' in now, we're JUST HANGIN' on.  
HANGIN' in now, we're JUST HANGIN' on.  
HANGIN' in now, we're JUST HANGIN' on.

CHORUS: When did JUST HANGIN' out turn to JUST HANGIN' in? JUST HANGIN' on.
