

## LOVE ISN'T BLIND

- 1) Turn the other cheek they tell me it'll go away.  
Never mind the danger signs. Love is blind they say.  
Hide my feelings deep inside's not so easy this time.  
'Cause this time, this time LOVE ISN'T BLIND.
  
- 2) Sittin' in the back seat darlin's not my kind of ride.  
Someones pulling up on my blind side.  
Tired of all the wasted time I've left behind.  
'Cause this time baby, this time LOVE ISN'T BLIND.

CHORUS: I told you so. So why can't you see?  
I need to know. What is it going to be?  
It's time to chase illusions from my mind.  
'Cause this time baby, This time LOVE ISN'T BLIND.

- 3) Turn the other cheek it'll go away.  
Love. Love is blind. So they say.  
Hide what I feel inside is not so easy this time.  
'Cause this time, this time, LOVE ISN'T BLIND.

CHORUS: I told you so. So why can't you see?  
I need to know. What is it going to be?  
It's time to chase illusions from my mind.  
'Cause this time baby, This time LOVE ISN'T BLIND.
