

TEENAGE 42

© SOCAN Glenn Zaretski

- 1) People think I'm crazy 'cause I look like one.
They say there's something in my eyes makes 'em want to run.
Well I don't need approval for the things I do.
I got my own brand of fun, teen-age 42.
- 2) My wife and kids reject me 'cause I wear their clothes.
They say it's terribly disgraceful. "Glenn you're just too old".
Well I don't need approval you just let me be.
I just want some fun but they keep telling me.
They say,

CHORUS: You're just too wierd and we can't cope.
Reverse senility has taken hold.
I've gone bonkers so I'm told.
My wife and kids reject me 'cause I wear their clothes.
They say it's terribly disgraceful.
Glenn you're just too old!
I'm not too old!

- 3) So I changed my name from Glenn, now you can call me Spike.
Traded in the K-Car on a motorbike.
Spend all my days sleeping but the nights I'm riding high,
Playing down at Harry's Hole from 9 - 5.
- 4) I started playing in an oldies new wave band.
Feelings. Nothing more than Feelings.
Quit my job at IBM before they had me canned.
Died my hair purple and put earrings in both my lobes.
Now the dog I trained to guard my house won't let me in my home.
They say Nyah na na na na
