- 1) Don't need stars or candle light, fancy wine to make things right.
All I ever need is you.
In my dreams and in my heart I knew right from the start.
All I ever need is you.
All I ever need is to have you here beside me,
gentle touch of your soft hand.

Your love has made my dreams come true.
My heart sings out when words won't do.

CHORUS: That's just the way my love is.
That's just the way I feel.
In a way, I always knew.
That's just the way my love is.
That's just the way I feel.
All I Ever Need Is You.

- 3) Don't have words to always say the things I wish I could each day.
All I ever need is you.

All I ever need is you.
My heart sings out when words won't do.

CHORUS:
