

DEEPER

© SOCAN Glenn Zaretski

1. Falling DEEPER, I keep falling in.
So much DEEPER than I've ever been.
Falling, into your love.
Falling DEEPER every breath I take.
Falling DEEPER every move I make.
Falling DEEPER into your love.
2. Falling DEEPER each and every day.
Falling DEEPER in every way.
Falling, into your love.
Falling DEEPER, underneath your spell.
Falling DEEPER with every cell.
Falling DEEPER, into your love.

CHORUS: DEEPER than the stars reach into the sky.
DEEPER than the tallest mountain top is high.
DEEPER than the deepest sleep where dream wishes come true.
DEEPER than the darkness covering the night.
DEEPER than a heart ever had the right.
DEEPER and DEEPER in love with you.

3. Falling DEEPER down the wishing well.
Falling DEEPER than I could tell.
Falling, into your love.
Falling DEEPER than the oceans run.
Falling DEEPER than I've ever come to know someone.
Falling, into your love.

CHORUS:
