

A HEART ON THE RUN

INTRO: A HEART ON THE RUN.

1. Seems to me I just stopped living in the time you've been away.
I only miss you more and more with each passing day.
Seems to me that there should be some way to show you're the only one.
But how do I get inside A HEART ON THE RUN?
2. Words that strike out in anger are seldom meant to stay,
Yet no matter how we try to hide them they'll never go away.
Still the time will come to look ahead and say what's done is done.
Boy won't you let me through to A HEART ON THE RUN.

CHORUS: Take these arms I'm giving and hold me through the night.
Take this life I'm living only you can make it right.
Take this heart that's here for you and know you're the only one.
All you've got to do is stop A HEART ON THE RUN.

BRIDGE: And your friends don't seem to know a thing.
They've all turned deaf and dumb.
But can't you see you can't always be A HEART ON THE RUN.

CHORUS:
Stop A HEART ON THE RUN.
Stop A HEART ON THE RUN.
