

HUNGER

© SOCAN Glenn Zaretski

INTRO:

1. I feel the hunger in your heart, I see it in your eyes.
The way you look makes me realize.
You've been down this road before, take it slow.
Sometimes it takes time to let a new love grow.
2. A heart that's broken once will try to hide.
Painful memories get locked up inside.
I feel the emptiness of all you've been through.
The love you're looking for, I can give to you.

CHORUS: I can feel the hunger in. Can you feel the hunger in?
I can feel the hunger in my heart for you.
I can feel the hunger in. Can you feel the hunger in?
I can feel the hunger in your heart too.

Doo doo doo doo doo. Doo doo doo doo doo.
Doo doo doo doo doo doo doo.
Doo doo doo doo doo. Doo doo doo doo doo.
Doo doo doo doo doo doo doo.

3. Right now is all we have it's all we really need.
Lose yourself in me and love will set you free.
Desire is pushing us. It's time to start.
Take a chance on love again and open up your heart.

CHORUS:

Ooh ooh. Ooh ooh ooh ooh ooh ooh. Ooh ooh. Ooh ooh ooh ooh ooh ooh.
Ooh ooh ooh ooh. Ooh ooh ooh ooh ooh.

INSTRUMENTAL:

BRIDGE: You say you want me but you're asking me to wait.
How much longer can we, before it gets too late? Before it gets too late.

CHORUS:
