

## THE ONE

© SOCAN Glenn Zaretski

- 1) I could be the heart beating close beside you.  
I could be the voice that whispers in the night.  
I could be the arms you turn to,  
I could be the lips you kiss.  
Reaching out to touch the morning sun.  
Oh, I could be THE ONE.
- 2) I could be the shoulder that's there to cry on.  
I could be the tear that falls upon a sigh.  
A slow embrace, a sweet surrender.  
Following a finger's trace.  
Reaching out to touch the morning sun.  
Oh, I could be THE ONE.
- 3) Somebody waits for you.  
Someone who's holding on all the way.  
Somebody there to share races you will run.  
Beside you all the way, I could be THE ONE.
- 4) I could be the heart beats near you.  
I could be the lips you long to kiss.  
I could be the arms that hold you so near, so near, I pray, right now, right here.  
I could be THE ONE to end your fears.
- 5) I want to be THE ONE to share with you the laughing, crying, running, dancing,  
walking, talking, slow romancing, moonlit nights and foreign sights,  
the lights of Paris, from a small cafe.

### INSTRUMENTAL:

- 7) Verse 1 melody. Oh I could be THE ONE.
- 8) All these things I would do,  
As the dreamer's done.  
Always thinking of you.  
I could be THE ONE.

Oh I could be your morning sun, the shiver from a kiss, the laughter you would miss,  
Oh I could be THE ONE.  
THE ONE.
