

LOVE IS LIKE

© SOCAN Glenn Zaretski

1. Your LOVE IS like a summer's evening walking in the rain.
Like a whisper weaving as I breath your name.
Your LOVE IS like a flower's bouquet captured in the dew.
And all the words I've ever spoken would never be enough to capture you.

2. Your LOVE IS like the ocean breaking on a distant shore.
A hidden inlet never seen before.
Your LOVE IS like a precious memory captured all anew.
All the words I've ever spoken would never be enough to capture you.

BRIDGE: LOVE IS like a misty morning as the sun breaks through.
LOVE IS forever holding you.
